

SUNRISE BOULEVARD AT NW 24TH AVENUE SAFETY IMPROVEMENT PROJECT IN FORT LAUDERDALE

Project Overview

The Florida Department of Transportation has awarded a \$348,825.48 contract to Weekley Asphalt Paving Inc. to improve the intersection of Sunrise Boulevard and NW 24th Avenue in Fort Lauderdale. Construction will begin February 23, 2015 and is expected to be completed by Summer 2015.

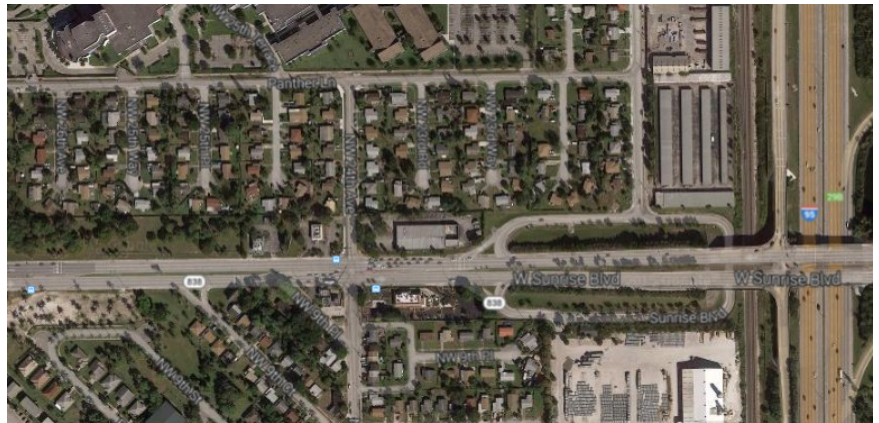

Project Improvements

- Extending the left turn lane from westbound Sunrise Boulevard to southbound NW 24th Avenue to accommodate more vehicles during peak traffic times
- Installing new flashing lights and signage to notify motorists of school zone speed restrictions
- Upgrading existing signage within the project limits
- Upgrading sidewalk and crosswalks to meet ADA standards
- Upgrading signalized intersection of Sunrise Boulevard and NW 24th Avenue with a new mast arm signal
- Installing four new light posts within the project limits

Traffic Impact

Crews will be working Monday through Friday from 8 a.m. to 3 p.m.

Overnight lane closures on Sunrise Boulevard are expected from 6:30 p.m. to 11:30 a.m.

Project Updates

The project team will be distributing periodic updates. If you would like to receive project updates by email, please send an email to diglesias@corradino.com with a subject line of Sunrise Boulevard at NW 24th Avenue Safety Improvement Project Updates.
